

Trizo21 is more than lighting.
It is a refined fusion of elegance and craftsmanship.

- ABOUT -

For 25 years, Trizo21 has been at the forefront of premium architectural lighting, blending Belgian craftsmanship, innovation, the use of premium materials and design excellence.

From custom architectural projects to iconic collections, Trizo21 has consistently delivered lighting that unites both form and function.

Guided by a soft minimalistic design philosophy, Trizo21 embodies a distinctly Belgian identity grounded in timeless elegance and simplicity.

Trizo21's creations are specified worldwide in high-end residential, retail and hospitality interiors.

Lighting as a luxurious experience.
Sophisticated, discreet and unforgettable.

- MORE THAN LIGHT -

At Trizo21, we go beyond creating exceptional lighting. Our team provides comprehensive support, from light planning and detailed light studies to driver selection, ensuring every project is illuminated to perfection. Through our trained international partner network, we extend this expertise globally.

We develop bespoke models and tailored customizations, shaping each design to reflect the unique character of its environment. With multilingual service and worldwide logistics, working with Trizo21 is seamless across borders.

With Trizo21, lighting becomes more than a product, it is a complete and guided experience from concept to completion.
